DREAM TEAMS

DREAM TEAMS MAKE THE MISSION OF FAITH COMMUNITY POSSIBLE

In 1992, the US Men's Olympic Basketball team was assembled with the best-of-the-best from the NBA. This historic move propelled the team to win an Olympic Gold Medal in the Barcelona Olympic Games. And that was only the beginning!

What does that have to do with you? We call our volunteer teams the ***Dream Team*** because we believe God created you with unique purpose and talents that make you the exact right person for the job. ***We want something for you, not from you*** so it's our hope that you will find a role that you enjoy and brings you fulfillment. The Dream Team is comprised of a variety of teams that work together to ***help people move from where they are to where God wants them to be!***

In this guide, you'll find descriptions of all the teams & serving opportunities available at Faith Community. To join a Dream Team or learn more, please send an email to Lauren Earls at learls@faithcommunity.co or contact the leader listed on the page.
